# Germany communication base station inverter grid connection price

## Overview

---

Will the German government change the system for a network connection?

The German Government has proposed substantial changes to the current system for applying for a network connection (Gesetzentwurf zur Änderung des Energiewirtschaftsrechts of 13 November 2024). It is uncertain, however, whether this bill will be further debated now that the Government has no majority in the Federal Parliament.

Does the Bundesnetzagentur contribute to installation costs?

The Bundesnetzagentur has issued a statement on contributions towards installation costs for networks above low voltage level (only in German). Special statutory regulations apply to certain types of generating facility, including the following:.

What is a direct grid connection?

These connections are used by power plants, electricity distribution grids, plants and facilities of customers with a direct grid connection, interconnectors and direct lines to the grid.

Should the German government pay “regular” building cost contributions under a reservation?

They should pay “regular” building cost contributions under a reservation only. The German Government has proposed substantial changes to the current system for applying for a network connection (Gesetzentwurf zur Änderung des Energiewirtschaftsrechts of 13 November 2024).

What are network operators required to do under the German Energy Act?

Network operators are required under the German Energy Act to connect end customers, other energy supply networks and their lines, and generation and storage facilities to their networks on reasonable, non-discriminatory and transparent terms.

Where can I find information about a grid connection agreement?

The following file contains the main provisions of a grid connection agreement and its appendices. The data to be supplied by the connectee can be found in the document "TAB für Kundenanlagen". The following file contains information on grid connection of power plants. Please send your request to the contact person at the right.
