# How to view battery cabinets

## Overview

---

To reduce the fire risk posed by lithium-ion batteries, the City of New York supports the installation of outdoor e-bike battery charging and swapping cabinets on public sidewalks.

To reduce the fire risk posed by lithium-ion batteries, the City of New York supports the installation of outdoor e-bike battery charging and swapping cabinets on public sidewalks.

To reduce the fire risk posed by lithium-ion batteries, the City of New York supports the installation of outdoor e-bike battery charging and swapping cabinets on public sidewalks. Through an agreement with the New York City Department of Transportation (DOT) called a revocable consent (RC).

JOCO's battery cabinets provide a safe place to charge Lithium-Ion e-bike batteries. Our cabinets provide advanced safety features that are designed to contain fires and protect you and your property. Multiple configurations and smart features available to order. Tested at an accredited laboratory.

To this end, the NYC Department of Transportation (DOT) recently opened applications for external sidewalk-based e-bike charging and battery-swapping cabinets. Owners can now apply to install these cabinets directly outside residential or mixed-use buildings through the city's revocable consent.

Any of you guys ever deal with large UPS battery cabinets. I believe the battery don't come installed in them. WOULD be very heavy. Is that correct?

What type of wiring is involved with them. I'm just curious. I'm surely not "figuring" anything for that type of scope. Thanks. I have installed them.

Property owners and tenants will soon be permitted to install battery swapping and charging cabinets on sidewalks in front of their properties. (Spectrum News NY1) New York City has finalized rules aiming to reduce lithium-ion battery fires by expanding access to safer e-bike charging stations.

The New York City Department of Transportation (NYC DOT) has finalized rules allowing property owners and tenants to apply for the installation of e-bike battery swapping and charging cabinets on public sidewalks. The initiative builds on a successful pilot program that reduced in-home battery.
