Inverter 48v 6500

Overview

What is a 6500ex-48 inverter?

The 6500EX-48 is the easiest way to get started on your next off-grid projects. With the only all-in-one, CSA-certified inverter. The 6500EX-48 will Act as your main hub for all your off-grid needs. Simply plug your inputs, batteries, and optional AC inputs (i.e. the grid or a generator) and get your off-grid on baby!.

What is a split phase inverter?

The split-phase operation allows you to power both standard and high-voltage appliances from a single source, simplifying installation and reducing equipment costs. Whether it's 120V single-phase operation (1 unit), 120V/240V Split Phase capability (2 units), or even 208V 3-Phase support (3 units), our inverter adapts to your requirements.

Which battery types are compatible with the inverter?

Compatible with various battery types including SLA, AGM, GEL, and Lithium LiFePO4. The inverter's compatibility with multiple power sources and battery types makes it a versatile choice for any setup, ensuring reliable power regardless of your system configuration.
