What is a Fusti container?

Liquid Storage. Made Simple. A “fusti” is a stainless steel container specifically designed to safely hold oils, honey, and other liquids, for long-term storage. Quality matters, so don’t compromise. Cheap fusti containers are produced from low quality stainless steel that is “folded” and results in “seams” in the interior.

What is a round Pozzetti container?

These round pozzetti containers are designed to fit unique Italian pozzetti showcases. The container sits perfectly inside the round stainless steel tubs. The decorative 6 liter package is an excellent choice for display cases, where

they can wow your patrons. Each container is beautifully decorated and ready to serve with a dome lid.

What is a 5 liter Pozzetti container?

The 5 liter package is our most popular and is ideal for restaurants that prefer to keep a wider variety of flavors, and also have a moderate amount of freezer space available. These round pozzetti containers are designed to fit unique Italian pozzetti showcases. The container sits perfectly inside the round stainless steel tubs.
