As a leading electric products supplier in Monrovia, Lib Sunshines specializes in everything.

In the US, the federal investment tax credit (ITC) for solar is currently equal to 30% of the amount of an eligible installation. It means if you invest \$40,000 in solar, you could receive a \$12,000 tax credit. However, the rate of ITC rate will go down to 26% in 2020, 22% in 2021, and 10% after.
