

ContainerPower Energy Solutions

Maldives communication base station energy storage construction

Overview

Supported by the ADB through the Accelerating Sustainable System Development Using Renewable Energy (ASSURE) Project with a grant of US\$41.5 million for the project, the tender aims to provide BESS and energy management systems (EMS) across 18 islands in the Maldives and seeks to add around 40MWh of capacity, according to Jaimes Kolantharaj, senior energy specialist at the ADB, on a social media post.
