## Overview

---

What are Huijue group's energy storage solutions?

Huijue Group's energy storage solutions (30 kWh to 30 MWh) cover cost management, backup power, and microgrids. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an innovative base station energy solution.

What is Huijue off-grid solution?

Huijue Off-Grid Solution integrates photovoltaic, energy storage, and off-grid systems for scalable energy self-sufficiency. The Huijue Group Off-Grid Solution comprises three main components: photovoltaic systems, energy storage systems, and off-grid systems, enabling energy self-sufficiency.

What is a Huijue system?

Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution. Compact and reliable Huijue systems provide energy independence and efficiency for modern homes.

Who is Huijue network communication equipment?

Shanghai Huijue Network Communication Equipment Co., Ltd. (Huijue Group) was established in 2002 as a high-tech service manufacturer specializing in intelligent network communication equipment and a leading innovator in energy storage systems. The company is dedicated to becoming a leader in the communication and energy sectors.

What makes Huijue unique?

With nearly 22 years of development and innovation, Huijue has continually improved its competitiveness and market position, forming a skilled R&D and

management team that drives its expansion across ICT infrastructure, data centers, smart new energy, smart cities, IoT, smart buildings, and new energy batteries.

Who is Huijue group?

The company is dedicated to becoming a leader in the communication and energy sectors. Headquartered in the Shanghai Free Trade Zone, Lin-gang New Area, Huijue Group boasts a registered capital of 107.78 million yuan. The company is recognized as a “High-Tech Enterprise,” an “Innovative Enterprise,” and a “Shanghai Famous Brand Product.”
