

ContainerPower Energy Solutions

Moldova battery energy storage system

Overview

Does Moldova have gas storage facilities?

Moldova currently does not have operational gas storage facilities. However, the government is considering two possible sites for geological storage in the Zagarancea-Mânzesti-Unghenii de Jos villages area and in the Cantemir district. No concrete decisions have been taken on these developments.

Does Portugal support battery energy storage projects?

Portugal has awarded grant support to around 500MW of battery energy storage system (BESS) projects, using EU Recovery and Resilience Plan (RRP) funding, a bloc-wide scheme that has supported energy storage across the continent.

Which countries are moving forward with battery energy storage system procurements?

Portugal and Moldova have moved forward with battery energy storage system (BESS) procurements with funding from the EU and USAID.
