

ContainerPower Energy Solutions

Moroccan Battery Energy Storage Company

Overview

What is Morocco's energy storage testbed project?

The projects are spearheaded by the Moroccan Agency for Sustainable Energy (MASEN) and Morocco's national electricity company ONEE. On May 20, 2025, MASEN received financing approval from the World Bank for its "Morocco Energy Storage Testbed Project", aiming to enhance grid stability.

How is Morocco accelerating its energy transition?

Morocco is accelerating its energy transition by issuing a global call for expressions of interest to build two large-scale battery storage facilities. The projects are spearheaded by the Moroccan Agency for Sustainable Energy (MASEN) and Morocco's national electricity company ONEE.

Which energy companies are launching solar-independent power projects in Morocco?

It recently tendered for solar-independent power projects with battery storage. Riyadh-headquartered Acwa Power led the winning bids for the Noor Midelt 2 and 3 projects, each 400MW of solar with attached BESS. They are part of Morocco's broader clean energy vision.

How much did Morocco invest in a battery factory?

In June, the Moroccan government signed an investment agreement with Gotion for a battery factory with a total investment of 12.8 billion dirhams (\$1.3 billion) and an initial battery capacity of 20 GWh.

Will gotion be a benchmark for energy transformation in Morocco?

Gotion's chairman, Li Zhen, said the company will bring its advanced production lines, technology, and management to Morocco and work with CDG to make this project a benchmark for energy transformation in Morocco.

Will CDG support gotion's project in Morocco?

CDG, Morocco's largest public financial investment institution, will support Gotion's operations of the project in Morocco. The first phase of the project, which covers power batteries, energy storage batteries and cathode and anode materials, is expected to directly create more than 2,000 local jobs, Gotion said.
