

ContainerPower Energy Solutions

Nanya battery energy storage container manufacturer

Overview

Who is Nanya energy technology?

Discover our comprehensive range of electric vehicle charging solutions for various applications. Join our platform to access exclusive features, real-time monitoring, and personalized support for your EV charging infrastructure. Nanya Energy Technology - A leading manufacturer specializing in electric vehicle (EV) charging solutions since 2016.

Who owns Nanya Technology?

Nanya is conducting joint technology development with Micron Technology, working together on advanced DRAM manufacturing processes. In 2015, Nanya sold its share of the joint venture, called Inotera, to Micron. Taiwan-based Nan Ya Plastics, which is part of the Formosa Group, is the controlling shareholder of Nanya Technology.

Why should you partner with Nanya?

When you partner with Nanya, you're choosing a reliable, innovative, and growth-oriented leader in the EV charging industry. Proven Industry Leadership - Trusted by global clients for high-quality EV charging solutions. Cutting-Edge Technology - Patented designs, smart charging software, and robust hardware.
