## Overview

---

Where is New Zealand's first large-scale battery storage system located?

Meridian Energy has officially opened New Zealand's first large-scale grid battery storage system at Ruakākā, the first of its kind, and a milestone in the country's renewable energy infrastructure development. The Ruakākā Battery Energy Storage System (BESS) delivers 100 megawatts (MW) of maximum output with 200 MW-hour storage capacity.

Who is launching New Zealand's largest battery energy storage system?

WEL Networks and Infratec are proud to announce the launch of New Zealand's largest Battery Energy Storage System (BESS) with commissioning underway.

Which energy company is building New Zealand's first grid-connected battery energy storage system?

Meridian Energy is building New Zealand's first large-scale grid-connected battery energy storage system (BESS) at Ruakākā on North Island. Paris, January 10, 2023 – Saft, a subsidiary of TotalEnergies, has been awarded a major contract by Meridian Energy to construct New Zealand's first large-scale grid-connected BESS.

Who built the first battery in New Zealand?

Infratec GM, Nick Bibby says, "Our team have worked closely with our parent company WEL Networks, our major suppliers and local electrical and civil contractors on this innovative build. The result is a battery that is the first of its scale to be built in New Zealand." Construction on the 35MWh BESS in Rotowaro, Huntly commenced in July 2022.

Is New Zealand a key market for storage solutions?

Power Electronics NZ Ltd Operations Director, Brent Sheridan sees New Zealand as a key market for storage solutions with future generation growth

primarily being led by solar and wind technology. “Power Electronics are proud to be the suppliers of inverters for this project.

Will a meridian battery help New Zealand's electricity system?

Guy Waipara, Meridian's general manager of development, said the battery adds crucial North Island storage capability to New Zealand's electricity system with multiple operational benefits.
