Investment firms PASH Global and ERIH Holdings have formed a joint venture (JV) to develop utility-scale solar and battery storage projects in Paraguay. A spokesperson for UK-based PASH told Energy-Storage.news that the partnership would initially target 100MW of solar PV and 40MWh of separate.

When Paraguay's National Power Company announced the winning bidder for its landmark Asuncion Energy Storage Project last week, industry analysts weren't just watching – they were cheering. This 450MW behemoth isn't just another battery installation; it's the equivalent of giving Paraguay's grid a.
