

## ContainerPower Energy Solutions

# Personal investment in Belgian energy storage power station

**Higer conversion efficiency**

CAN/RS485/WIFI/4G  
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

## Overview

---

How can Giga storage help facilitate the nuclear phase-out in Belgium?

Our ambition is to help facilitate the nuclear phase-out by achieving 2025 GW of battery storage in Belgium before 2030. GIGA Storage specializes in large-scale energy storage, investing in projects for optimizing energy supply and ensuring grid stability.

Is Belgium a good place to invest in battery storage?

Belgium is one of the most active and mature grid-scale energy storage markets in Europe, with diversified opportunities for monetising battery storage via flexibility markets and a supportive regulatory regime.

Is Eneco investing in a battery energy storage project in Wallonia?

Eneco is investing in a major battery energy storage project in Wallonia. With the installation of a 50 MW/200 MWh of battery energy storage, sustainably generated electricity can be used more efficiently to balance Belgium's electricity grid. The permit has been obtained, the battery ordered and preparatory study works are underway to have the .

What is the D-Stor battery storage project in Belgium?

A digital illustration of the D-STOR battery storage project in Belgium. Image: BSTOR. Project owners BSTOR and Energy Solutions Group have started building separate BESS projects totalling 440MWh of capacity in Belgium, following financial close, both of which will use Tesla Megapacks.

Will a 50 mw/200 MWh battery help balance Belgium's electricity grid?

With the installation of a 50 MW/200 MWh of battery energy storage, sustainably generated electricity can be used more efficiently to balance Belgium's electricity grid. The permit has been obtained, the battery ordered and preparatory study works are underway to have the project operational by the end of 2024.

What is bstor & Energy Solutions Group doing in Belgium?

BSTOR and Energy Solutions Group have started building BESS projects totalling 440MWh of capacity in Belgium, using Tesla Megapacks.
