Poland 60v lithium battery pack factory

Overview

Does Europe run on Polish lithium-ion batteries?

We are pleased to present our report titled “Europe Runs on Polish Lithium-Ion Batteries: The Potential of the Battery Sector in Poland and the CEE Region”. This report was developed with substantial support from market leaders and stakeholders in Poland and Slovakia.

Where are the largest lithium battery factories in Europe?

In Poland, they established one of the largest lithium battery factories in Europe, located in Biskupice Podgórne. This new factory will help them expand their business and become a major battery supplier for major automotive brands in Europe. Their main products include lithium-ion batteries and energy storage systems.

How competitive is the lithium-ion battery industry in Poland?

Recommendation Developing Competitiveness The lithium-ion battery industry is now responsible for 2% of the Polish annual export value. This is a datapoint which is often brought up by Polish stakeholders. This shows of course, how much of an economic factor this industry can become.

Who makes a battery in Poland?

In fact, major industry players such as LG Energy Solutions and Umicore, have established a strong presence there. According to a McKinsey report, the Polish nation ranks second globally in battery production capacity, following China, with 73 GWh in 2022.

Where does POSCO PLSC recycle lithium-ion batteries?

In Bukowice, near Brzeg Dolny, POSCO PLSC operates a lithium-ion battery recycling plant in collaboration with SungEel HiTech. Dedicated to processing waste from battery factories and using Li-ion batteries, POSCO PLSC significantly contributes to sustainable battery production.

What is the value of battery exports in Poland?

The value of exports in the battery sector increased 38-fold over the last six years from around PLN 1 billion (EUR 0.21 billion) in 2017 to over PLN 38 billion (EUR 8.24 billion) in 2022. Poland is the leader of the lithium-ion battery supply chain in Europe and will maintain this position until at least 2027.
