Senegal Energy Storage Power Company

Overview

The national electric utility of Senegal, Senelec, has signed a 20-year capacity change agreement (CCA) with developer Infinity Power for a 40MW/160MWh battery energy storage system (BESS) project.

The national electric utility of Senegal, Senelec, has signed a 20-year capacity change agreement (CCA) with developer Infinity Power for a 40MW/160MWh battery energy storage system (BESS) project.

The national electric utility of Senegal, Senelec, has signed a 20-year capacity change agreement (CCA) with developer Infinity Power for a 40MW/160MWh battery energy storage system (BESS) project. The four-hour BESS project, which will have a power rating of 40MW and an energy storage capacity of.

The BESS is to be built at the Tobène substation in Thies, Senegal. It will be operated by Infinity Power's 158.7 MW wind farm in Senegal, Parc Eolien Taiba N'Diaye (PETN) Cairo, Egypt and Abu Dhabi, UAE - 13 November 2023: Infinity Power, a joint venture between Egypt's Infinity and UAE's Masdar.

As Senegal advances its clean energy ambitions, the upcoming MSGBC Oil, Gas & Power conference - taking place in Dakar from December 9-10 - will provide a critical platform to accelerate the region's just energy transition. Uniting regional leaders, investors and policymakers, this year's event.

Located in the heart of West Africa, Senegal is a prime example of a country on the cusp of energy transition. The nation's commitment to sustainable development and renewable energy sources has led to the establishment of a pioneering hybrid energy facility in northern Senegal, marking a.
