

ContainerPower Energy Solutions

Senegal energy storage container supplier

Overview

Which energy company is building a lithium ion battery storage system in Senegal?

Renewable energy company Africa REN has started construction of the Walo Storage project - a lithium-ion battery energy storage system situated in northern Senegal.

Who is constructing the energy storage unit?

The project is being fully developed by Africa REN while construction of the storage unit will be carried out by engineering company Eiffage Energie Systèmes RMT.

What can Walo storage do for Bokhol?

In order to complement and intensify our local impact, Walo Storage is committed to : Build three mini-solar power stations to supply the pumping stations dedicated to farmers. Provide the municipality of Bokhol with a commercial vehicle. Create a track enabling farmers and stockbreeders to reach the agricultural zone.
