Sine wave 12V to 220V inverter

Overview

1500W 220V DC to AC Pure Sine Wave Inverter, 92% efficient, for 12V, 24V, 48V battery systems with lead-acid or lithium battery, CE certified with 1 year warranty. This 1500W Inverter can reverse the DC power from the battery into 220V AC power.

1500W 220V DC to AC Pure Sine Wave Inverter, 92% efficient, for 12V, 24V, 48V battery systems with lead-acid or lithium battery, CE certified with 1 year warranty. This 1500W Inverter can reverse the DC power from the battery into 220V AC power.

Finding a reliable 12 volt to 220 volt inverter is essential for converting DC power from batteries into steady AC power for various applications. Whether for home backup, RV trips, camping, or solar energy systems, the right inverter ensures safe, efficient power delivery to your electronics.

□Why choose it□This pure sine wave inverter is a power converter that converts 12V/24V/48V/60V DC to 220V AC. The output power can be used for a variety of device types, making it the ultimate car charger for car travel, vacations or remote workplaces. □Multiple Protections□Low voltage, overload.

1500W 220V DC to AC Pure Sine Wave Inverter, 92% efficient, for 12V, 24V, 48V battery systems with lead-acid or lithium battery, CE certified with 1 year warranty. This 1500W Inverter can reverse the DC power from the battery into 220V AC power. Through a full-bridge circuit, usually using an SPWM.

POWERFUL DC-AC: 3000W continuous, 6000W peak surge during load start-up, 12V DC to 220V / 230V AC pure sine wave with conversion efficiency >92%, lowers conversion loss. SAFETY FIRST: 6-layer protection in one inverter ensure the safe use, including alarm and protection of overload, short circuit.

Good price and high quality pure sine wave inverter for sale online. This pure sine inverter with 12V voltage and 150 watt output power. 150W pure sine wave inverter built-in multiple protection, such as over voltage protection, over temperature protection, over load protection, short circuit.

The Congsin 300W Modified Sine Wave Inverter converts 12V DC to 220V AC with dual USB ports, universal plug, and battery clips, making it ideal for automotive, camping, and emergency backup power. Perfect for OEM/ODM customization and global distribution. This product is currently out of stock and.
