Solar panel solar 100W

*Support photovoltaic input and AC mains input
Suitable for home energy storage and emergency backup power supply*

The image features a large, white, rectangular solar inverter unit. To its right, there is a photograph of a modern, two-story house with a dark facade and a prominent gable window. Below the house image, there is a text box containing the text: "Support photovoltaic input and AC mains input" and "Suitable for home energy storage and emergency backup power supply". Below the text box is an inset image showing various household appliances: a microwave, a range hood, a refrigerator, a gas stove, and a laptop computer.
