

ContainerPower Energy Solutions

Togo solar power home

Overview

Where is the largest solar power plant in Togo?

The solar power plant is located in Blitta, a division in the Central Region. With a capacity of 50 MWp, the Mohamed Bin Zayed plant becomes the largest utility-scale solar park in Togo, and indeed in the West African sub-region. The new facility, which supplies clean energy to Togo's national grid, increases the country's energy autonomy.

Who is AMEA Togo solar?

Amea Togo Solar, a subsidiary of Amea Power, an independent power producer (IPP) that develops, finances, builds, owns, and operates thermal and renewable power projects in Africa, the Middle East, and Asia, carried out the construction works. 1.
