ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

The image shows a tall, grey Energy Storage System (ESS) unit. It has a black top and bottom. Two vertical green lines run down the front panel. In the center, there is a blue hexagonal shape with a black lightning bolt symbol. At the bottom, there are two yellow warning triangles with black lightning bolts. The word 'ESS' is printed in green at the top right of the unit.

Overview

What solar equipment is available in Uruguay?

Uruguay's solar equipment production and supply capacity There are a substantial number of local and foreign solar equipment suppliers working within Uruguay's solar market. The most common products available in Uruguay include solar panels, solar inverters, and charge controllers, to name a few.

Does Uruguay have a solar market?

Uruguay's solar market prospects are likely to get better owing to the government's overwhelming support. In 2013, the government of Uruguay drafted several laws aimed at supporting the solar sector. Such favorable regulations are the main driving factors behind the growth of Uruguay's solar market.

Why should you choose a solar project in Uruguay?

Uruguay boasts of eight advanced ports that allow the movement of solar equipment from one market to another. Its logistics sector is also among one of the leading ones worldwide. Consequently, you don't have to worry about transporting your equipment from the port to the project site if the need arises.

How much solar power does Uruguay have?

As of last year, the country's overall installed solar capacity stood at approximately 248 Megawatts. This capacity accounts for 2% of the country's total energy production. Uruguay's solar market prospects are likely to get better owing to the government's overwhelming support.

Who makes solar panels?

Yingli Solar. Yingli Solar, formerly known as Yingli Green Energy Holding Company Limited, covers the manufacturing of the photovoltaic value chain

from ingot casting and wafering through solar production and solar panel assembly. Jinko Solar. Jinko Solar is a solar panel manufacturer headquartered in Shanghai.

Who makes solar panels in Algeria?

SARL Algerian PV Company. Established in 2010 in Algeria, SARL Algerian PV Company, or ALPV for short, is a company that is engaged primarily in the manufacturing of solar PV panels. Atom Enerji. Since the company's establishment in 2012, Atom Enerji has manufactured primarily solar panels and off-grid solar system equipment. Aures Solaire.
