

## ContainerPower Energy Solutions

# Which company has more energy battery cabinets at the Turkish site

## Overview

---

Siro, a joint venture between Farasis Energy and Turkish global mobility technology brand Togg, has started production at the new Gemlik site in Turkey on March 31st. Is EVE Energy forming a joint venture in Turkey?

Eve Energy's subsidiary, Hubei Eve Power Co Ltd, signed a memorandum of understanding with Turkey's Aksa Jeneratör Sanayi A.Ş on January 12, and the two plan to set up a joint venture in Turkey, according to a statement by the Chinese power battery maker on the Shenzhen Stock Exchange yesterday.

What is EVE Energy doing in Turkey?

The joint venture will manufacture and sell products including battery modules and outdoor battery cabinets, as well as build energy storage system projects there. (Image credit: Eve Energy) Chinese lithium battery maker Eve Energy will set up a joint venture in Turkey to produce batteries as it continues to expand its international presence.

Will a Thai company build a battery plant in Thailand?

On July 27, the company said it signed a memorandum of understanding with a Thai company to build a joint venture in Thailand to construct a battery production site in the country with a capacity of at least 6 GWh.
